

INDEX TO SHAFTS AND TUNNELS

ARRANGED BY NUMBERS

Reference letters are large black skeleton letters near center of 1-minute square

This is a detailed topographic map of Leadville, Colorado, and its surrounding area. The map features a grid of letters (A through Z) and numbers (1 through 26) overlaid on the terrain. Key geographical features include the Colorado River, the Leadville Driving Club, the Capitol Hill, and the Poverty Flat. The city of Leadville is shown with a dense grid of streets. The map also includes various landmarks such as the Leadville Driving Club, the Capitol Hill, and the Poverty Flat. The map is color-coded with red, blue, and green areas, likely representing different land use or geological features. The map is oriented with North at the top.
